

TOP 10 CAMP REMINDERS

Welcome Campers!!!! I know this letter looks a bit lengthy but it is extremely important that you read it in its entirety. We want to first thank you for choosing Camp Lela. This summer is going to be an absolute blast! We have so much fun stuff planned for the next 11 weeks.

1st- I want to explain the importance of checking your child's folder every single day. There will be important information going home that we need you to be aware of. Please do not forget to empty the folder every night.

2nd- Please sign your child in/out every day. This is a state policy and we need to make sure we do not miss the attendance of any child.

3rd- There will be a sign posted every evening that states where we will be going the next day and the time of departure. Please take note of this sign so your child does not get left behind. We will not wait for anyone when departing for a trip. It is crucial that we keep our departing time on schedule.

4th- If you have any questions or concerns regarding your account, please contact Nicole at (302) 832-1833. Remember, you are responsible for the weeks you signed up for!

5th- Camp shirts will be delivered during the first week of camp. Once your child has their shirt, they MUST wear it every single day....no exceptions!

6th- It is your responsibility to provide sunscreen for your child. Please label their bottle and give it to their teachers. If you have not handed in your sunscreen authorization please do so asap.

7th- There will be 2 summer camp groups. Your child will be designated on their 1st day of camp.

8th- Chaperones are always welcome!!! Please see Ms. Nicole to sign up. You are responsible for your admission. Chaperones are required to also pack a lunch just like the campers!

*Chaperones must keep a positive atmosphere for children (no foul language, no smoking, no wondering off, etc.)

9th- Camp Lela will NOT be providing breakfast or lunch. Do not forget to pack your child a BROWN BAG lunch every day. No peanut butter products or heat-up items. We will provide a cooler for lunches.

10th- Please do not send your child to camp with any additional money for trips. We will not be going to the gift shops during these trips as it is not fair for children without money. Also, we will have additional water on the trips for your child to have when they request a drink.

*** Please initial recognizing you have read and will follow all reminders***
