Electronics

Parents,

Your child may bring their electronics for the summer to camp, however it is at your own risk. These electronics can include iphone, ipod or Nintendo DS/related games. Please only allow your child to bring one game to play in their game systems. Bringing only one game will help eliminate any lost or switched games. Camera's cannot be used on these devices in the classroom as every student is not allowed to be photographed. It is important to remember your child will be bringing these devices to camp at THEIR OWN RISK. Lil' Einstein's Learning Academy WILL NOT be responsible for any lost, misplaced, stolen, or broken electronic devices or games. In order for your child to bring these electronics to camp please sign below.

Thank you,

Christie Jackson
Center Director
Lil' Einstein's Learning Academy

Child's Name: _____ Date: _____

_____ By signing below I am allowing my child to bring their personal electronics to camp. I have been made aware and understand that it is at OUR OWN RISK and Lil' Einstein's Learning Academy will not be held responsible or replace any lost, misplaced, stolen, or broken electronic devices or games.
